Sobrero - Piedmont
Parmigiana di Melanzane
or
Porchetta di Maialino

DESSERT

Tiramisú Frizzante Rosato Bigaro 2023,
Elio Perrone - Piedmont

FUN FACTS THIS EVENING:

1. The Tiramisú was born in 1971 in the Venetian town of Treviso. It was proposed as a dessert which would stimulate customers due to its high content of eggs sugar and caffeine. Thus, the name 'tiramisu' - meaning "pick-me-up" in English - was coined.
2. Mezze Maniche is Italian for short sleeves. Like a shirt!

WINE LIST

Wines for the pairing are included in the price of your meal but we also have a full list of wine of bottles available to purchase. Ask your server to take a peek!

- Flat shipping rate: \$20 NY
\$50 all other states

ABOUT OUR WINE PROGRAM

Our curated selections of wine come from small artisanal winemakers, who farm sustainably and organically, have no added sulfites, and are rarely found outside Italy. We are also collaborating with many winemakers to create unique wines that are bottled exclusively for Roscioli, saving small vineyard plots and helping them to bring their boutique productions across the ocean (via sailboat!).

12 BOTTLES
